Reg: Golf League / Green Fees

Dear Golf League Officers,

The 2019 League green fees are \$13.00 per person, per week. This does not include a power cart seat rental which remains \$8.00 per person, per seat position each week (power carts must be shared).

To receive this special rate,

- 1 League must commit to play a minimum of 18 weeks.
- 2 League Treasurer collects all moneys and pays green fees to course.
- 3 Green fees are paid in advance as follows:
 - 1st half paid prior to first day of golf
 - 2nd half paid prior to 6th week of golf
- 4 Individual make-up rounds will be allowed after the scheduled date of play, with league officer approval. (League Officer must notify pro-shop in advance)

Most of the leagues already exceed these minimums and are not affected by these policies. However, if your league wishes to play a short season just add \$.50 to per-person green fees for each week played.

Example: 18+ weeks of play = \$13.00 per person per week
17 weeks of play = \$13.50 per person per week
16 weeks of play = \$14.00 per person per week

Golf Memberships include league play but exclude fees charged by your League.

If you have any questions in this regard please call me at the course at your earliest convenience. We look forward to serving your league this summer.

Sincerely,

K. Ernie McPherson
General Manager, Green Briar Golf Course
